## **Day 2 (B, M/T,L,D): Exploring**

### **Sunday 24th December, 2017**

Following a hearty breakfast and some free time we are off to the southern suburbs to visit the *Sydney Tramway Museum* which began life in 1950. From 1957 the Museum operated from a large corrugated iron shed alongside what is now today the Parklink tramline. In 1988, the Museum moved to its current premises next to Loftus railway station. Today we will enjoy a 30 minute tram ride, a guided tour to learn about the evolution of Sydney Trams and morning tea. To this day, the Museum remains a non-profit community organisation run entirely by volunteers. From the Royal National Park we head to the *St Georges Sailing Club* for lunch overlooking Botany Bay. This afternoon we take a drive around to the northern shores of Botany Bay to *La Perouse* where we have organized a tour of *Bare Island*. Situated at the mouth of Botany Bay, *Bare Island Fort* was built in 1885 to protect the back door to Sydney. Today we cross the hundred year old bridge and discover a world of military pride and great deception. A tour of the tunnels will unravel its

hidden scandals and secrets. We complete our day by driving through some of the southern beachside suburbs and arrive back in Darling Harbour with some free time before dinner tonight at our hotel.

## **Day 3 (B, M/T,L,S): "Merry Christmas"**

### **Monday 25th December 2017**

Following breakfast in the hotel we can enjoy some free time before heading to *Wisemans Ferry* for our special *Christmas at the Retreat at Wisemans*. Nestled on the banks of the Hawkesbury River the property is surrounded by 50 acres of beautiful grounds containing a golf course, games room and swimming pool. We enjoy a delicious Christmas Lunch with all the trimmings and then have some free time to take a look around before heading back to Darling Harbour. Dinner tonight will be a lighter serving after such a large lunch at our hotel.

## **Day 4 (B,L,D): Sydney Harbour - Cruising**

### **Tuesday 26 December 2017**

There's simply no better way to experience the excitement of the world famous *Sydney to Hobart Yacht race* than being out on Sydney Harbour and experiencing the excitement of this world-famous spectacle and there isn't another harbour in the world to rival Sydney's beauty and vibrancy. A lunch cruise is the best way to combine million dollar harbour views with spectacular dining. Mid-morning we transfer to *King Street Wharf* and join *Captain Cook Cruises* for our Boxing Day lunch cruise and see the start of the Sydney to Hobart Yacht race. The Harbour will be buzzing with excitement and it will be a day to remember. Mid-afternoon we return to Darling Harbour and enjoy some free time for shopping or personal sightseeing. Dinner tonight at our hotel.

## **Day 5 (B, M/T, L): Heading Home**

### **Wednesday 27 December 2017**

Following breakfast we start our journey home. We will have suitable stops en-route for morning tea and for lunch we stop at The Tailor Made *Fish Farm and Cookabarra Restaurant*. This is our lunch venue and of course a crispy Barramundi fillet in light batter is on the menu (there will be an alternative option for anyone who doesn't like fresh fish). Following our delicious lunch, we enjoy a tour. This is the premier Barramundi farm in NSW, producing a total of 1000 kilos of live and freshly chilled barramundi per week. We have the opportunity to see how a commercial farm operates as we are taken on a guided tour through the production sheds and the nursery to see the baby barra. The process of growing both fish and hydroponic vegetables will be explained in a fun and informative manner. This afternoon we arrive home after a fantastic time away. Upon arrival at your central location you will be transferred home.
